Supported Independent Living

Supported Independent Living (SIL) is assistance with and/or supervising tasks of daily life to develop the skills of individuals to live as autonomously as possible.

Excel ensures participants in the Scheme have access to affordable, appropriate and secure accommodation and their needs are taken care of.

Community Nursing Care

Excel provides low level clinical care to NDIS participants in their own homes including assistance with:

- Medication
- Hygiene and personal care
- Wound care

Therapeutic Supports

Excel provides a variety of specialist therapeutic services including:

- Speech therapists
- Physiotherapists
- Social workers
- Occupational therapists
- Nurses including specialised Renal Nurses

Respite Care

You need to go on holiday? Excel can take care of your loved one while you get the much needed break. We can assist with respite in your own home, retirement village or one of our homes.

Why Choose Excel

At Excel, we match our Support Workers with Participants to ensure that the needs of our clients are met. We also work closely with participants, their families and Support Coordinators and ensure that people living with disabilities can shape their own destiny. There are so many reasons why Excel is the Service Provider of choice for many Participants including but not limited to:

- We are an approved NDIS Service provider
- We have a large pool of experienced and qualified support workers
- We have qualified nurses, physiotherapists, occupational therapists and behavioural support specialists among other specialised professions within our team
- We are open 24/7
- All our staff are police-checked and have Working With Vulnerable People Cards
- We are fully insured
- We believe in the power of the Participant to make choices in choosing the right service Provider and we encourage them to do so
